

MO+IVATION ALLIANCE

The power of positive change.

Flexible & Scalable

- Design custom incentive programs.
- Turn Health Assessments on or off.
- Add features as your program grows.
- Optional eligibility file upload and SSO.

Coaching Tools

- Track consults, assessments and results.
- Set reminders, schedule events.
- Create outcome based programs.

Team & Player Challenges

- App/wearables connection included.
- Run as many, as often as you wish.
- Steps, minutes, weight loss and more!

Mobile Activity Tracking

- Log activity like food and drink intake, exercise and sleep - on the go.
- Track change over time and personal bests.

Social Engagement

- Member messaging, chat boards and kudos for positive feedback.
- Challenges boost engagement and camaraderie.

Real-Time Data Analysis

- Flexible query options.
- Individual and aggregate reporting.
- Export your data - it belongs to you!

Configurable & Brandable

- Choose a color scheme to fit your organization.
- Create content branded for your program/company.

Communication Tools

- Bulk emailing and messaging.
- News and announcements.
- Motivational blog content.
- Survey users for program feedback.
